

# TOP 5 REASONS TO CHOOSE CENTER POINT RESOURCES FOR YOUR FOOD SAFETY TRAINING AND CONSULTATION NEEDS:

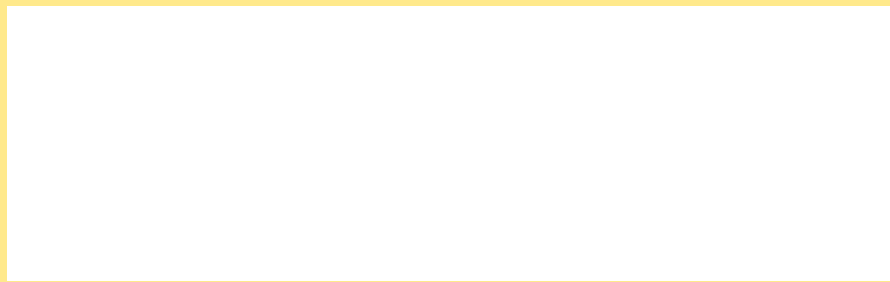

**5** Our *Partner Plan Process* will help determine the root cause of food safety problems, and help you to develop long-term solutions!

**4** We don't simply "inspect" your business during a food safety audit – we provide coaching during the evaluation, which provides real value to your employees during the process!

**3** Every business needs a "breath of fresh air" every now and again... Especially when it comes to food safety!

**2** Even after your training or evaluation session is complete, you can still count on us to be your resource for your food safety questions!

**1** Your initial consultation is FREE for each of our services—you've got nothing to lose!
